The International Cat Association

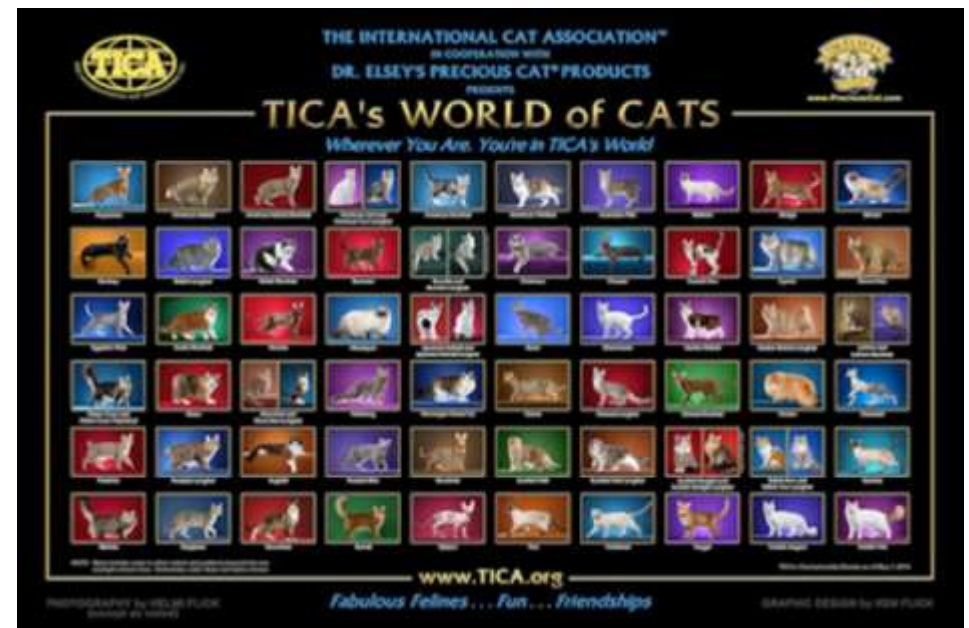

worlds largest genetic registry of pedigreed cats

Fabulous Felines, Fun, & Friendship

TICA recognizes over 60 distinct and unique breeds of felines from around the world.

[TICA, The International Cat Association](http://www.tica.org) is the world's largest genetic registry of pedigreed and household pet cats, the first registry to allow household cats of unknown ancestry to compete for the same titles and awards as pedigreed cats. TICA administers the rules and licensing of hundreds of cat shows annually across the globe.
